Beloved brothers and sisters in Christ, this is brother Frank speaking to you from the International Mission Center in Krefeld, Germany.

We just praise God looking back to the past weekend with great meetings. God's people from over 20 nations were gathered to hear the Word of God and those who are interested from all over the earth could follow the meetings online.

We are so grateful to the Lord that we can take the last call, the last message, the true Word of God promised for this day to all nations as our Lord said [Mt 24:14]. Then we say, all those who are blessed, if you have a look at the emails which come in, sometimes, I need two or three hours to answer the emails. People all over the earth are touched by the Word of God, by His grace and power. Today, I received an email from one beloved brother from Jakarta, Indonesia, who is a doctor and professor and was translating for me many years ago. Back then I could not understand why the name "Allah" is used in the Bible, so I asked him: "The time has come to print the Bible again using the word 'Elohim' instead of 'Allah'." Today, in his email, he referred to this great thing the Lord had done for his country and also for Malaysia.

Beloved brothers and sisters, if I would start reporting what the Lord is doing, it has never happened on earth what is going on right now. We can truly say what is written in this Holy Book, what our Lord said: "*My Word shall never return to me void but accomplish what it was sent for.*" [Is 55:11]

Today, I have two verses I would like to read to you, from Hebrews 6:13 and 17: „*For when God made promise to Abraham because He could not swear by no greater, he swore by Himself.*“ I don't know

if you understand that God put Himself under an oath to do what He promised. And the Word of God and every promise is an absolute. In verse 17: *“Wherein God, willing more abundantly to shew unto the heirs of promise the immutability of His counsel, confirmed it by an oath.”*

Beloved, you all know, I have served the Lord for so many years because of the divine commission. I'm just so grateful to the Lord for every Word of God. Every promise God made He fulfills. And we who believe the end-time message, we respect what God has done in our time. He not only promised: *“I will send you Elijah before the great and dreadful day of the Lord comes.”* [Mal 4:5] Please remember, in respect of every promise God has made He can raise His hand and say: *“What I have promised I shall fulfil.”* It is finished, it is an absolute. God kept His promise - He sent His prophet in our day and time, which makes me so thankful to the Lord. He gave us the grace to know the day, the time and the promise God gave and fulfilled in our generation.

Beloved brothers and sisters, I have said many times that my ministry is directly connected to the ministry of brother Branham. I not only knew him for 10 years, but the Lord Himself looked after it, that whenever he would take his prophet, the message would stay and remain with us. From the time God has taken His servant and prophet William Branham, this message of the Word of God, the whole counsel of God, is being preached, no fanaticism, no interpretation, no explanation, but the original Word of God, is preached to all nations. And our Lord said: *“...than the end shall be.”* [Mt 24:14]

Beloved brothers and sisters, if I would report what the Lord is doing right now through the many, many possibilities to share the Word by TV stations all over the earth. Beloved, this is God's special

time, this is the end time and this is the last message. Return to God, return to the Word of God, return to the original foundation laid by the apostles and prophets, return to the same preaching and teaching and let God Himself fulfill every promise He made. For we are the children of promise believing the Word of promise and we shall see every promise God made fulfilled. The total restoration [Joel 2:25] – everything God restores and we are the witnesses of the reality. God is not in a philosophy, God watches over His Word to fulfill what He promised and we are the ones who have seen and experienced it and are still doing so by the grace of God to see what the Lord is doing in our time and we do have part in that.

May God bless you, may He be with you. Please read the two verses again, Hebrews 6:13 and 17. And remember – the same God who promised to Abraham and kept the promise is the same God who gave us all the promises. We do believe every promise and we shall see every promise fulfilled right to the return of our Lord Jesus Christ. He promised to return and He will come back and take us to glory. When He comes, the dead shall rise first and we shall be changed and together taken up to meet Him in the air and then be with Him at the marriage supper of the Lamb [1 Thess 4:17].

Please, remember, every promise God made will turn to reality. You do not need to interpret, it will become the reality as God promised. May the blessings of Almighty God rest upon you and especially upon all ministering brothers. Don't bring any wrong teaching, stay in the Word of God. Be led by the Holy Spirit and may all be prepared and be ready for the soon coming of our Lord Jesus Christ. And we say: "*Maranatha, so come Lord Jesus!*" [Rev 22:20] Amen.
